

Indian Headdress Craft

Materials needed:

Construction paper or neoprene for headdress, center circle decoration, and feathers

(additional beads, glitter, etc. as desired)

Elastic (or construction paper) for the band around the child's head

Glue

Staples

Scissors

Directions:

Use pattern to cut headdress, center circle decoration and feathers out of construction paper or neoprene

Adhere center decoration circle to front of headdress using glue

Adhere feathers to front of headdress using glue positioning them around the center circle as layed out in the pattern

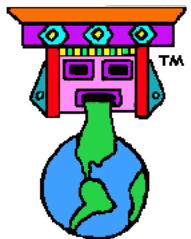

Measure elastic so the headdress fits around the child's head

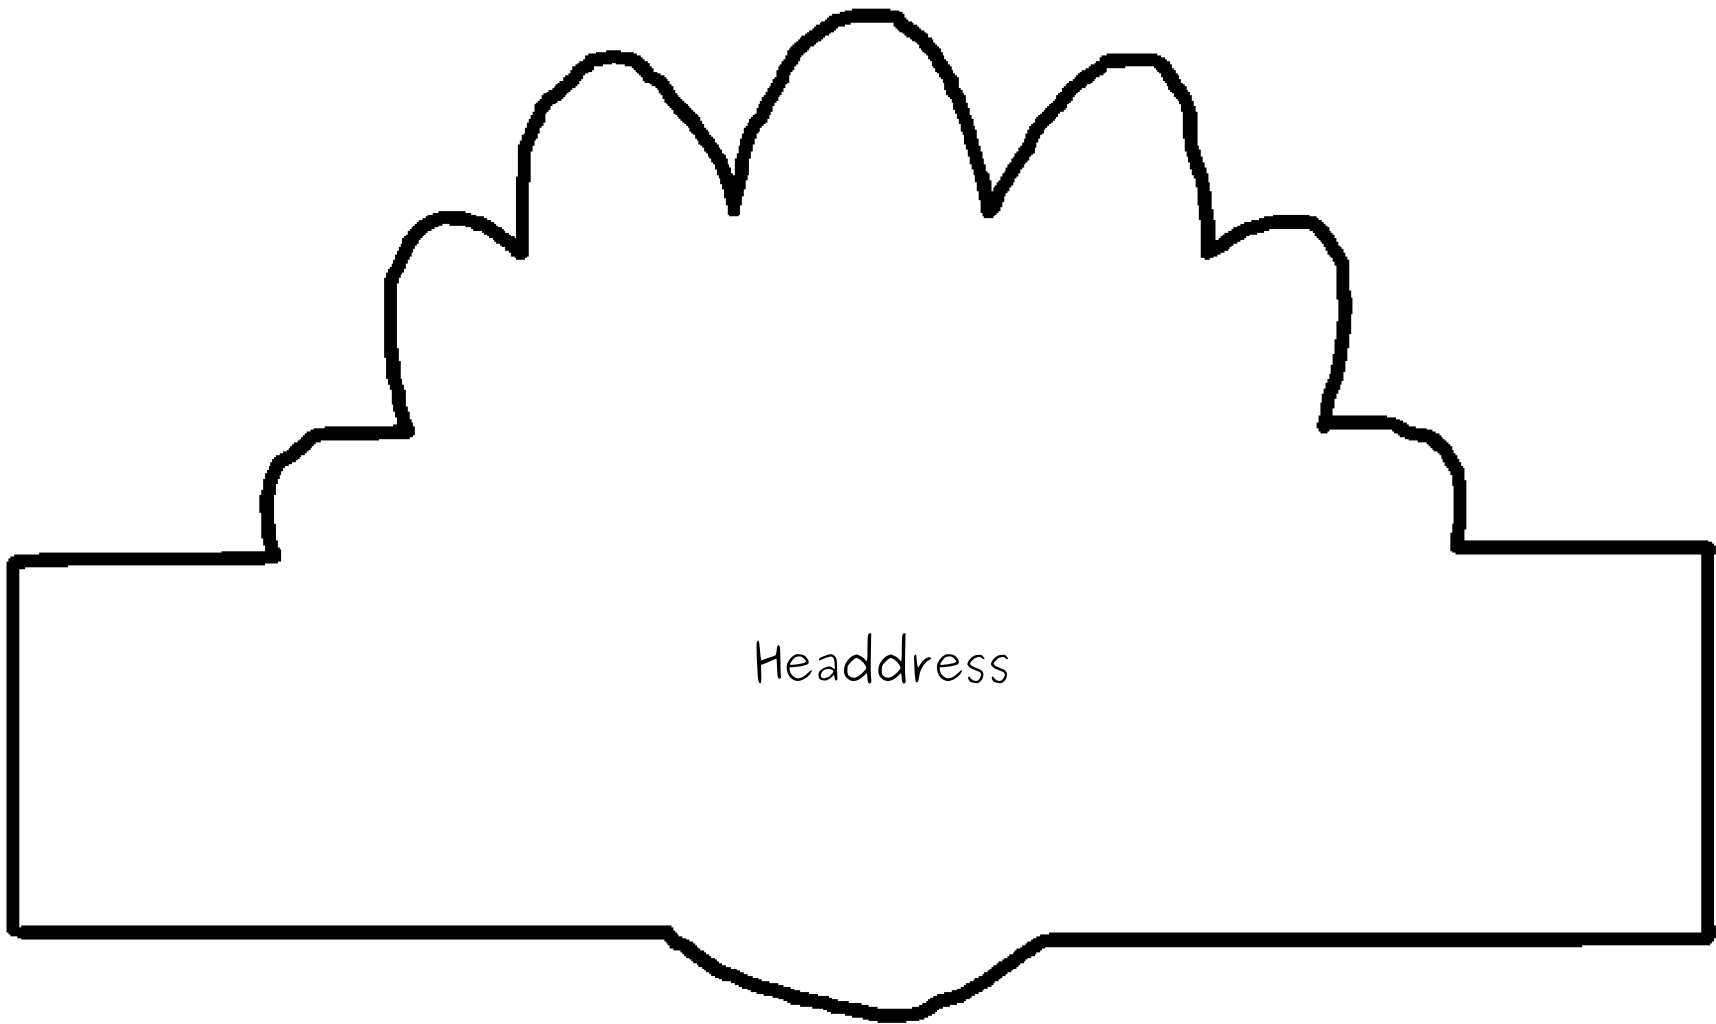

Attach elastic to the headdress using staples

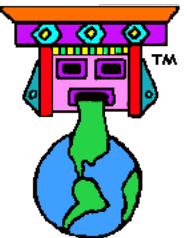

Our craft project was designed as a simple headdress. We have included this photo for your reference of what an actual headdress may look like.
