

# Rita the Bird Dog Puzzle

## Materials needed:

- \* Crayons, pen, or pencil
- \* Scissors
- \* Glue or tape

## Directions:

- \* Print out the page with the outlines of the shapes
- \* Discuss which shapes are ovals and which shapes are triangles
- \* Have the children draw the shapes by following the dotted lines
- \* Have the children color the shapes in preparation for building the dog image
- \* Cut out the shapes
- \* Glue or tape the shapes to the full picture of the dog, so the children can see how the dog image was created
